MESSAGE FROM THE EXECUTIVE DIRECTOR

TTF is proud to present the 10th annual Tourism, Aviation and Transport Infrastructure Summit, LEADERSHIP 2010, to be held at Parliament House Canberra.

LEADERSHIP 2010 will take place on Tuesday 22 and Wednesday 23 June 2010 and is the single most

important event on the calendar for TTF Members and industry colleagues.

Against the backdrop of a federal election later this year, the 2010 Summit will facilitate dialogue between political leaders, policy makers and TTF's national CEO Members.

Attendees will be given the unique opportunity on Day One to access senior decision makers from the government, opposition, press gallery and bureaucracy via keynote speeches, pre dinner drinks, official Summit Dinner and Club Qantas post dinner function. Day Two will see another day of interactive policy discussions with the government and opposition, an Industry Leaders' Luncheon and VIP access to Parliamentary question time.

LEADERSHIP 2010 will serve as a high level industry consultation session with Ministers and departmental heads, policy makers and TTF's national CEO members. The two day summit will focus on issues of importance to our members including: the political scene in 2010; the post election economy; leveraging Australia's brand reputation for the benefit of our tourism and education sectors; and the future role of public transport and urban development in addressing population growth.

Against a looming federal election backdrop, this event is a great opportunity to present a united voice on major policy issues to both the government and opposition. I look forward to your active attendance.
