

NEW SOUTH WALES TOURISM **BUSINESS COUNT** & EMPLOYMENT ATLAS

Tourism & Transport Forum (TTF) is proud to present the New South Wales edition of our popular and respected tourism employment atlas to help inform decision makers, business leaders and the community about the value of tourism to the New South Wales economy. In addition to its current contribution, tourism has been identified as a 'super-growth' industry that can provide future job and business opportunities across the state and help to deliver prosperity around Australia.

The New South Wales Tourism Business Count & Employment Atlas provides information about tourism-related businesses and employment in all New South Wales electorates. We hope the Atlas will help reinforce the importance of tourism and the visitor economy to every part of the state.
